

Economic Instability in Minnesota

577,000 Minnesotans

 (including 175,000 children under age 18) live in households that are **below** the federal **poverty threshold.***

***\$20,780 for a family of three in 2016.**

“One does not need to look far to find someone in need. I see this especially in the need at our local food pantries.”

~ Rev. Karen Finnegan, Ada

The Minnesota Family Investment Program (MFIP) helps families meet their basic needs while working toward financial stability.

7 of 10 MFIP recipients are children

→ 50% of those are under age 5 

Clay County

Population: 62,324

Households in Poverty: 13.3%
(up from 9.9% in 2000)

Children K-12 Receiving Free/
Reduced Lunch: 33.7%
