

Economic Instability in Minnesota

577,000 Minnesotans

 (including 175,000 children under age 18) live in households that are **below** the federal **poverty threshold.***

***\$20,780 for a family of three in 2016.**

“At the locally supported and operated food shelf in our community, we are providing nutritional support to an astounding 10% of our local residents. We have a growing population of individuals and families who daily are forced to make difficult decisions impacting essentials like food, housing, heat and transportation.”

~ Rev. Jerry Kosanovich, Hoyt Lakes

The Minnesota Family Investment Program (MFIP) helps families meet their basic needs while working toward financial stability.

7 of 10 MFIP recipients are children

→ 50% of those are under age 5 

Lake County

Population: 10,631

Households in Poverty: 10.5%
(up from 7.8% in 2000)
