

Economic Instability in Minnesota

577,000 Minnesotans

 (including 175,000 children under age 18) live in households that are **below** the federal **poverty threshold.***

***\$20,780 for a family of three in 2016.**

“The income gap is increasing in our area and children are the ones who suffer the most and bear the long-term effect of living in low-income households.”

~ Cynthia Huse, Madison

The Minnesota Family Investment Program (MFIP) helps families meet their basic needs while working toward financial stability.

7 of 10 MFIP recipients are children

50% of those are under age 5 

Lincoln County

Population: 5,771
