Economic Instability in Minnesota

491,782 Minnesotans (including 140,103 children under age 18) live in households that are below the federal poverty threshold.*

*$21,720 for a family of three in 2020.

"The income gap is increasing in our area and children are the ones who suffer the most and bear the long-term effect of living in low-income households."

~ Cynthia Huse, Garfield Lutheran Church, Madison

Poverty rates for Minnesotans of color are 3 - 4 times greater than those of white Minnesotans.

Poverty rates for Minnesotans with disabilities are 2+ times greater than those of Minnesotans without a disability.

Population: 15,170
Households in Poverty: 9.7% (up from 7.5% in 2000)
Children Receiving Free/Reduced Lunch: 43.7%
Number of Children in Child Care Assistance Program: 40
Cost-burdened* Renter Households: 33%
Severely Cost-burdened* Renter Households: 15%

*Cost-burdened households pay more than 30% of income for housing. Severely cost-burdened households pay more than 50%.

"I therefore command you, 'Open your hand to the poor and needy neighbor in your land'."

~ Deuteronomy 15:11
