Economic Instability in Minnesota

491,782 Minnesotans (including 140,103 children under age 18) live in households that are below the federal poverty threshold.*

* $21,720 for a family of three in 2020.

"Where I notice the most impact is in our schools. Children are being fed breakfast and even a second breakfast because they haven't been fed. It is an ever-growing and often overwhelming concern for parents; to be able to feed their children."

~ Pastor Lauren Hauger, Morris and Herman

Poverty rates for Minnesotans of color are 3 - 4 times greater than those of white Minnesotans.

Poverty rates for Minnesotans with disabilities are 2+ times greater than those of Minnesotans without a disability.

Swift County

Population: 9,266
Households in Poverty: 9.5% (up from 9.1% in 2000)
Children Receiving Free/Reduced Lunch: 38.8%
