

Economic Instability in Minnesota

577,000 Minnesotans

 (including 175,000 children under age 18) live in households that are **below** the federal **poverty threshold.***

***\$20,780 for a family of three in 2016.**

“To address the need for emergency and regular food help, the Chatfield Community Food Shelf was created two years ago. The need is great. Most of those coming to the food shelf are working adults trying to make ends meet for themselves and their families.”

~Pastor Debra Jene Collum, Chatfield
